1. Approve Minutes of June 18, 2015 – Approved.
2. Formal Agenda.

A. NEW BUSINESS

1. Parking on Meadow Street and Meadow Place.

Commissioner Kenneth Jackson reviewed the area with Chris Markin, Craig Bandini and other Police Personnel. It is their recommendation to allow parking on the west side of Meadow Place from the driveway to Main Street. This will add several spaces. There is parking available on the east side of the road with the exception of the front of 2 houses where there is No Parking 8am-6pm. The majority of the available spacing on the east side of Main Street falls under the jurisdiction on the Village of Hempstead. They spoke with the Hempstead Police Department Traffic Lieutenant who states that their No Parking signs were erected recently due to the heavy commercial traffic in the area as well as the new apartment house. It is his opinion that these signs will remain, however, if we wish consideration to allow parking, the Garden City Traffic Commission may address a letter stating same to him and he will present it to the Hempstead Traffic Commission.

DECISION: The Traffic Commission at its meeting of August 20, 2015 approved removing parking restrictions on west side of Meadow Place from driveway to Main Street. Also, Trustee Robert Bolebruch to send letter to Hempstead Village to remove the parking restrictions on the north side of Main Street from the Village of Garden City line to Meadow Place.

1. Making Plattsdale Road a Dead-End Street.

UPDATE: TRAFFIC STUDY TO BE DONE ON AREA IN FALL DURING OCTOBER, 2015.
ISSUE WILL APPEAR ON TRAFFIC COMMISSION AGENDA AFTER THAT TIME.

2. Letter from Nassau County Department of Public Works.
We received a letter dated July 30, 2015 from the Commissioner of Public Works in reply to a request for the addition of exclusive left-turn phasing at Franklin Avenue and Seventh Street. Their office has completed a comprehensive review of this location and have determined that exclusive left-turn phasing is not warranted.
