Concession Agreement:

The Board approved an amendment to the Concession Agreement with D&J Refreshments, Inc. for services at the Garden City Pool and Stewart Field. The revisions are designed to conform to requirements of the NYSLA. This agreement authorizes the sale of beer and wine on designated days and times including three special events evenings. Board approval was requested so the liquor license application could be filed with the NYSLA as soon as possible, enabling the concessionaire to be compliant with all regulations and insurance requirements prior to the opening of the pool on June 11, 2016.
