Library Administrators Report, December 2025 (through 01/07/2026)

Programs, Publicity and Services –

- The Administration team continues to focus on Library Board priorities. This month the primary focus has been the Thirdway Space project and developing the new website -- each of which is at a pivotal step -- while maintaining high numbers of library programs and increased social media activity.
- We have added a librarian on the website project to move the project through the final phases of development. The computer deployment project has caused the IT staff to have dual priorities, and we are picking up speed with the additional librarian on the website team. We are still targeting a January launch.
- Social media is continuing to be a focus, with holiday characters such as “Jingle” the elf and Kugel and Latke the Hanukah gnomes being featured around the Library. We continue to develop other publicity-oriented posts as well as other content to engage followers.
- The Library had two snow-related schedule changes: December 14 (closed) and 27 (delayed opening). These announcements were made on the Library’s website, social media, email blast and the Village app.

Collections & Acquisitions –

- Acquisitions for Library collections are still being actively managed, by maintaining book ordering with Barnes & Noble while resuming and setting up new accounts with the major national book vendors. Once the new vendors are in place, more aggressive attention will be paid to setting up special collections, staff training on ordering and other initiatives to improve reading experience.
- The Thirdway project has been focused on the data and reporting, by adding “iCode1’s” to the records for books in the test groups. This week January themes have been deployed and signage is expected to be ordered and installed shortly. Expected date all should be live, by January 15.

Human Resources –

- Scheduling continues to be extended further in advance, for both f/t and p/t employees.
- The Administration Team continues to meet regularly with staff to accelerate priority projects and encourage initiative and collaboration resolving problems.

Facilities –

- Parking lot and grounds construction continue. The crews completed concrete work, the walkways and benches. The crew will return in the Spring to inspect the work again and to complete the finishing work. The parking lot milling, pitching and paving has been put on hold until the Spring.
- Continual monitoring of the HVAC system is ongoing. Village Engineers and the vendor, Intricate, are involved and onsite as necessary. Analysis of the increased usage of natural gas and electricity as it relates to the system is ongoing.

- The roll-out of the thirty-eight replacement computers began in late December and continue with a hopeful completion of the third week of January.

Financial -

- While we do not have a transfer for is one transfer to provide additional funding for natural gas on this agenda we are continually monitoring the spend. It is likely that our current funding for natural gas is adequate to cover the December and January usage, but additional funding will be requested from the Village. We are also evaluating the electricity usage as it has also increased due to the new HVAC system.
- We are monitoring the expenditure levels of accounts and fulfilling budget initiatives.
- We are in process of preparing and submitting the budget for fiscal year 2027. We are in receipt of the capital portion of the budget templates from the Village. We have a work session tonight to discuss.

MEMORANDUM

To: Library Board of Trustees

From: Marianne Malagon & Courtney Rutt Rosenblatt, Admin Team

Date: January 12, 2026

Subject: Programs December 2025

Highlights of December programs:

One of the highlighted themes was the celebration of the 250th birthday of Jane Austen. The Library invited a lecturer to speak about Jane Austen on the date of her birthday as well as showing a Jane Austen movie marathon and holding a Tea and Stitch movie and activity program for Teens. It was a lot of fun to celebrate this well-loved author.

In addition, the festive holidays of December afforded many other opportunities for a wide range of activities. For Children, the holiday house programs (two ages), and the Welcome Winter party (featuring Princess Elsa) drew great audiences. Teens created their own edible houses and partied on “Noon-Year’s Eve” including refreshments and a balloon drop. They also created DIY candleholders and Marshmallow Snowflakes. Adults created a festive Pinecone Centerpiece craft and sang holiday tunes with the Twin County Chorus. All ages were invited to movies over the holiday vacation – *Ice Age*, *Home Alone*, and *A Muppet Christmas Carol*.

In addition to the theme programs, the popular favorites for each department did not disappoint with large audiences continuing to fill these sessions. Preschoolers enjoyed Storytimes and STEAM activities, Teen Gamers and Dungeons and Dragons, as well as STEAM Workshop: Bread in a Bag and Teen Bag Charms and Keychains, and adults Crocheting and Knitting, Learning Italian, and Adult Bingo continue to please. Featured events and lectures included a talk about Our Solar System, Chef Rob’s Chicken Chasseur and Dubai Chocolate Cheesecake made by Them’s The Breaks satisfied many appetites!

Staff are continuing to listen to feedback from patrons and implement suggested programs and increase sessions of popular offerings.

Library staff are also seeking ways to improve registration, waitlists and attendance. In January, youth services librarians are going to begin to change the policy, allowing only one storytime registration per week per child in order to allow others to get into the program. We are continuing to seek ways to increase and improve offerings. There will be a Mah Jongg section with instruction (which has been requested) coming soon, and two levels of yoga being offered.

Program statistics are provided on the spreadsheet following this memo.

Garden City Public Library

MEMORANDUM

To: Library Board of Trustees
From: Marianne Malagon, Library Director
Date: January 12, 2026
Subject: PLA Conference

Board approval is requested to approve Library Director Malagon and Operations Director Rosenblatt to attend the PLA conference in Minneapolis, MN in April 2026. This is one of the top professional conferences presented and is only held bi-annually, the last one being in April 2024, attended by Director Malagon. Approval is also requested to approve the associated expenses as outlined below:

This conference presents outstanding educational and networking opportunities to expand his skillset as an Assistant Director. The conference programs also expose attendees to a broad range of new ideas and trends happening in Libraries around New York. Both of us attending brings two unique points of view to “learn and return” more ideas to develop at the Library.

Below is a list of the related expenses *expected* (as of 1/7/26) to attend the conference. These funds are available in the Travel and Training account:

Conference admission \$414 (based on member rates and purchase before 2/20/26)
Hotel \$229 per night (Hilton Minneapolis, HQ hotel) x **3 nights \$687** + applicable taxes and fees
Airfare \$557* (subject to change; nonstop flights)
Per Diem \$322*

Total \$2,000 estimated **per person**,
X 2

Total \$4,000 estimated **for both** M. Malagon and C. Rosenblatt

Thank you in advance for the consideration.

*\$92 per day based on 2026 US Government rates (\$92 per day, \$69 1st/last day/travel).

Subject: Approval of Extended Paid Sick Leave

Pursuant to the CSEA Rank and File Collective Bargaining Agreement, Board approval of continued extended paid sick leave for an employee recovering from a personal medical procedure is requested. The employee's leave began November 21st and continuation is requested to the next meeting, February 9, 2026.

The employee has submitted a doctor's note supporting her absence. The note dated and inclusive of November 21, 2025, states that a return-to-work date is currently undetermined at this time.

We are requesting the Board's approval of this employee's request for extended paid sick leave. Please let me know if you have any questions. Thank you.
