**LIRR THIRD TRACK UPDATE**

Both tracks on the Main Line will be out of service on Saturday from 1:17 a.m. to Monday at 2:27 a.m. this weekend, [May 21-22](#). Please visit the MTA Planned Service Page (<https://new.mta.info/>) to plan your trip. Crews will continue working along the right-of-way on the weekends. Although work will be intensive along the corridor from Floral Park to Hicksville,

consolidating the work timeframe will minimize impacts to commuters and the surrounding communities, ultimately reducing the need for invasive track work for years to come.

This weekend, May 21-22 (Fridays at ~9:00 p.m. to Mondays at ~5:00 a.m.) crews are working along the right-of-way.

Please note that the LIRR and project team are utilizing upcoming Double Track Outages weekends to complete other necessary rail infrastructure upgrades along the corridor. \*There are no double-track outages or intensive work occurring during Memorial Day, the Belmont Stakes, or Father's Day/Juneteenth weekend.\*

### **POOL SHADE STRUCTURE REPAIR**

Trustees engaged the professional services of Preferred Exterior Roofing and Siding to re-shingle the shade structure adjacent to Garden City Pool #1 at Community Park at a cost of \$25,900. The structure being re-shingled was constructed in 1994 and has required little in the way of maintenance since then. Minor repairs to the siding and soffits have been done by Recreation Maintenance employees through the years, but at the conclusion of last season, it was determined that the shingles were at the end of their useful lifespan and should be replaced.
