

### SEASON'S GREETINGS

This year, in the midst of an ongoing pandemic, we are still blessed to enjoy the Christmas and Hanukkah holidays responsibly with intimate groups of family and friends. While joy is always the transcending theme, as we hope it is for all, we ask that you include everyone, regardless of faith or private beliefs, in sharing this wonderful holiday season. Please take a few minutes to look in on your neighbors who may be alone or housebound to spread a little holiday cheer and comfort.

Merry Christmas, Happy Hanukkah and Happy New Year to All from your Mayor and Trustees. We wish you a joyful and safe holiday season.
