

July 3, 2024

If you received the recreation survey in the mail this week, congrats! You're one of 2,000 households randomly selected to participate. Please take the time to answer the questions, which are designed to let us know what's working, what's not working, and where you'd like to see improvements. Your participation in the survey is key to our success and will help bring us to a Recreation Master Plan for our Village. We value your feedback.

Along the way to the Recreation Master Plan we will be exploring options to find the best solution for the St. Paul's Main Building, but the recreation survey is much broader and will impact future decisions related to our recreational and cultural offerings across the village. Assessing residents wants and needs is an important part of the process.

Thank you for spending the time to provide thoughtful responses if you are one of the 2,000 households randomly selected. If you did not receive the recreation survey, you are encouraged to provide input through the open online recreation survey (<https://www.surveymonkey.com/r/GCRec>). Working together we will surely be able to keep Garden City as the outstanding community-focused Village that has attracted families for more than 100 years.

### **OH, WHAT A NIGHT!**

The patriotic festival on 7th Street Friday evening was the perfect way to usher in summer in Garden City! Beautiful weather, family fun and helpful information about summer enrichment offerings in the Village. Stay tuned for details about our next festival!

### **GCFD TRAINING FACILITY**

The Village Board approved a \$3.9 million bond to fund a new training facility for the Garden City Fire Department, as part of a larger Public Works infrastructure project at the Village Yard. The facility, covering 100,000 square feet, will include new construction and upgrades to an adjacent transfer station at the Yard. Chief James Taunton is confident the new facility will provide volunteers with a safe and effective training environment. The structure will host a majority of training topics including but not limited to stretching fire hose, mask confidence and search and rescue.

### **FORFEITURE OF ASSETS**

Under the New York State Civil Practice Law, certain funds received from forfeiture of assets are restricted to fund "unbudgeted" police expenditures. At the close of the 2023/24 fiscal year, the Village had \$45,630.27 held in Reserve. Further, funds in the amount of \$240.89 were received from forfeited property of crime proceeds from past cases. According to Commissioner Kenneth Jackson, the Department is looking to purchase products that will enhance criminal investigations and evidence management. In the past, these funds have been utilized to purchase a State/Federal certified fingerprinting station, video surveillance equipment, communication devices, drug recognition software, cell phone investigative equipment/software, detective vehicle accessory enhancements, ballistic vests/helmets and tactical weapons.

### **NATIONAL PARK AND RECREATION MONTH, RECREATION PROFESSIONALS DAY**

The Board has proclaimed July 2024 as "National Park and Recreation Month" as designated by the U.S. House of Representatives, and July 19th as "Recreation Professionals Day," as designated by the National Recreation and Park Society in Garden City.

### **THE BEST SECRET IN TOWN!**

Did you know that each of our neighborhood parks runs a free playground program every summer? Children

entering Grades 1-8 who reside the Village are invited to come to the park during the summer to find out what activities are taking place. Each park has its own “flavor” and “favorite” activities. Park Directors and their staff run games, sports, tournaments, and arts and crafts activities during the day and into the evening. Trips are also run through the parks. These activities, except for the trips, are free to anyone attending. Registration is not necessary. A child may attend any day they choose. Children are supervised while in the park, but the children attending must be able to come and go to the park as they please or a parent or child care provider must be in attendance while the child participates. This program cannot be used as babysitting.

When: Monday, June 24 through Friday, August 16

Where: Nassau Haven, Edgemere, Tullamore, Grove, and Hemlock Parks

Time: Beginning 10 a.m. and running throughout the day, check your local park for posted schedules
