

July 24, 2024

Whether it's residents out for an evening stroll or a youngster first learning to ride a bike, we all know how important our sidewalks are in making the Village such a special and walkable place to live. I have heard many complaints about overgrown shrubs interfering with residents' enjoyment of our sidewalks, especially during these warm days of summer. What better time to alert residents who may not have noticed their overgrown shrubs?

Here is a reminder for everyone about our sidewalk policy. Please take the time to reach out to the Village to report these obstructions as this is a great help to us!

Under our Village code (<https://ecode360.com/9146782#9146782>) homeowners are prohibited from allowing hedges to overflow onto sidewalks. Residents not in compliance with the code will receive letters and be given 10 days to correct the condition. If the condition is not corrected in that timeframe, the Village will send out a crew to do the work and then bill the homeowner. To report hedges overflowing onto our Village sidewalks, please call the Recreation & Parks Department, (516) 465-4075.

SANDS CASINO UPDATE

On July 22, the Nassau County Rules Committee voted on two lease proposals as follows:

1. The 42 year Operational and Site Control lease: the committee voted to advance this to the full legislature for a vote on August 5. There was one dissenting vote, Legislator Delia DeRiggi-Whitton.
2. The longer lease that enables construction of a casino: the committee voted unanimously that this lease be moved forward and that the necessary environmental (SEQRA) process be commenced. The County expects that the SEQRA process will be completed in the second quarter of 2025.

Trustee Edward Finneran spoke at the hearing, as did a representative from Hofstra University. The "Say No to the Casino" group also spoke and questioned some terms in the 42-year lease that clearly favor LV Sands. "Say No To The Casino" members objected to giving site control to an outside company for 42 years - - thus tying up the property and blocking better projects from being considered. Please encourage anyone you know in Nassau to email their comments to: LegPublicComment@NassauCountyNY.gov

Important Upcoming Meeting

- Monday, August 5, 1:00 pm. - Nassau County Legislature meeting at 1550 Franklin Avenue. It is expected that the Legislature will vote on the [42-year lease](#) that gives site control to the Las Vegas Sands Corporation.
