*A very Merry Christmas and Happy Hanukkah to all those who serve our terrific Village, including our Village Administration and Employees, Sanitation Department, Public Works, Building Department, Library, Parks and Recreation and our Police and Fire Departments. The Trustees and I are grateful for all you do for the Village throughout the year. Above all, we wish everyone a safe, happy and wonderful holiday season, and extend to all our best wishes in the New Year. We look forward to a spectacular 2026!*
