Please note: Permit is not valid until the proper insurance certificates are received by The Incorporated Village of Garden City.

The Organization agrees to observe all rules, regulations, ordinances and local laws of the Village including Local Law No. 3-1978 as amended, which prohibits the use of Alcoholic Beverages in Public Places.

The organization accepts the facility or equipment and agrees that the Village shall not in any event whatsoever be liable for any injury or damage to any person or property happening on or about the facility, or as a result of the use of equipment arising out of the exercise of this authorization, its members, guests or personnel or any other person, firm, association or corporation on or about the facility, or arising out of the exercise of this authorization. The Organization shall indemnify and shall save harmless the Village, its servants, agents, employees and officers from and against any and all liability, loss, cost expense or damages, (including reasonable counsel fees for the Village), and from and against any and all suits, claims and demands of every kind and nature, by or on behalf of any person, firm or association or corporation, arising out of or based upon any accident, injury or damage however occurring, which may happen on or about the facility or as a result of the use of equipment arising out of the exercise of this authorization. Such liability shall not be limited to any insurance coverage provided.

Field playability will be determined by the Recreation Department and its Maintenance Employees. At Stewart Field and Community Park, such determination shall be made by the Maintenance Department. If a field is determined to be unplayable, this permit is invalid for that date.

Please note: Permit is not valid until the proper Insurance certificates are received by The Incorporated Village of Garden City.

The Organization agrees to observe all rules, regulations, ordinances and local laws of the Village including Local Law No. 3-1978 as amended, which prohibits the use of Alcoholic Beverages in Public Places.

The organization accepts the facility or equipment and agrees that the Village shall not in any event whatsoever be liable for any injury or damage to any person or property happening on or about the facility, or as a result of the use of equipment arising out of the exercise of this authorization, its members, guests or personnel or any other person, firm, association or corporation on or about the facility, or arising out of the exercise of this authorization. The Organization shall indemnify and shall save harmless the Village, its servants, agents, employees and officers from and against any and all liability, loss, cost expense or damages, (including reasonable counsel fees for the Village), and from and against any and all suits, claims and demands of every kind and nature, by or on behalf of any person, firm or association or corporation, arising out of or based upon any accident, injury or damage however occurring, which may happen on or about the facility or as a result of the use of equipment arising out of the exercise of this authorization. Such liability shall not be limited to any insurance coverage provided.

Field playability will be determined by the Recreation Department and its Maintenance Employees. At Stewart Field and Community Park, such determination shall be made by the Maintenance Department. If a field is determined to be unplayable, this permit is invalid for that date.

INSURANCE CERTIFICATE PROVIDED on file

Please note: Permit is not valid until the proper insurance certificates are received by The Incorporated Village of Garden City. The Organization agrees to observe all rules, regulations, ordinances and local laws of the Village including Local Law No. 3-1972 as amended which prohibits the use of alcoholic beverages in Public Places. The organization accepts the liability for equipment and agrees that the Village shall not in any event whatsoever be liable for any injury or damage to any person or property happening on or about the facility, or as a result of the use of equipment arising out of the exercise of this authorization, its members, guests or personnel or any other person, firm, association or corporation on or about the facility, or arising out of the exercise of this authorization. The Organization shall indemnify and shall save harmless the Village, its servants, agents, employees and officers from and against any and all liability, loss, cost, expense or damages, (including reasonable counsel fees for the Village) and from and against any and all suits, claims and demands of every kind and nature, by or on behalf of any person, firm or association or corporation, arising out of or based upon any accident, injury or damage however occurring which may happen on or about its facility or as a result of the use of equipment arising out of the exercise of this authorization. Such liability shall not be limited to any insurance coverage provided.

Field playability will be determined by the Recreation Department and its Maintenance Employees. At Stewart Field and Community Park such determination shall be made by the Maintenance Department. If a field is determined to be unplayable, this permit is invalid for that date.

Please note: Permit is not valid until the proper insurance certificates are received by The Incorporated Village of Garden City.

The Organization agrees to observe all rules, regulations, ordinances and local laws of the Village including Local Law No. 3-1978 as amended, which prohibits the use of Alcoholic Beverages in Public Places.

The organization accepts the facility or equipment and agrees that the Village shall not in any event whatsoever be liable for any injury or damage to any person or property happening on or about the facility, or as a result of the use of equipment arising out of the exercise of this authorization, its members, guests or personnel or any other person, firm, association or corporation on or about the facility, or arising out of the exercise of this authorization. The Organization shall indemnify and shall save harmless the Village, its servants, agents, employees and officers from and against any and all liability, loss, cost expense or damages, (including reasonable counsel fees for the Village), and from and against any and all suits, claims and demands of every kind and nature, by or on behalf of any person, firm or association or corporation, arising out of or based upon any accident, injury or damage however occurring, which may happen on or about the facility or as a result of the use of equipment arising out of the exercise of this authorization. Such liability shall not be limited to any insurance coverage provided.

Field playability will be determined by the Recreation Department and its Maintenance Employees. At Stewart Field and Community Park, such determination shall be made by the Maintenance Department. If a field is determined to be unplayable, this permit is invalid for that date.

Please note: Permit is not valid until the proper insurance certificates are received by The Incorporated Village of Garden City.

The Organization agrees to observe all rules, regulations, ordinances and local laws of the Village including Local Law No. 3-1978 as amended, which prohibits the use of Alcoholic Beverages in Public Places.

The organization accepts the facility or equipment and agrees that the Village shall not in any event whatsoever be liable for any injury or damage to any person or property happening on or about the facility, or as a result of the use of equipment arising out of the exercise of this authorization, its members, guests or personnel or any other person, firm, association or corporation on or about the facility, or arising out of the exercise of this authorization. The Organization shall indemnify and shall save harmless the Village, its servants, agents, employees and officers from and against any and all liability, loss, cost expense or damages, (including reasonable counsel fees for the Village), and from and against any and all suits, claims and demands of every kind and nature, by or on behalf of any person, firm or association or corporation, arising out of or based upon any accident, injury or damage however occurring, which may happen on or about the facility or as a result of the use of equipment arising out of the exercise of this authorization. Such liability shall not be limited to any insurance coverage provided.

Field playability will be determined by the Recreation Department and its Maintenance Employees. At Stewart Field and Community Park, such determination shall be made by the Maintenance Department. If a field is determined to be unplayable, this permit is invalid for that date.

Its members, guests or personnel or any other person, firm, association or corporation on or about the facility, or arising out of the exercise of this authorization. The Organization shall indemnify and shall save harmless the Village, its servants, agents, employees and officers from and against any and all liability, loss, cost expense or damages, (including reasonable counsel fees for the Village), and from and against any and all suits, claims and demands of every kind and nature, by or on behalf of any person, firm or association or corporation, arising out of or based upon any accident, injury or damage however occurring, which may happen on or about the facility or as a result of the use of equipment arising out of the exercise of this authorization. Such liability shall not be limited to any insurance coverage provided.

Field playability will be determined by the Recreation Department and its Maintenance Employees. At Stewart Field and Community Park, such determination shall be made by the Maintenance Department. If a field is determined to be unplayable, this permit is invalid for that date.
