Ongoing work in your neighborhood: 11/05/2020

National Grid is working to modernize the existing gas line on Stewart Avenue. On Thursday, 11/05/2020 our work will be running later than originally expected.

We apologize for any inconvenience this may bring to you and your families. We are proactively working to mitigate any sound, noise and other potential impacts that may arise with this type of work.

Thank you for your understanding and patience during this time-sensitive work.
