

INCORPORATED VILLAGE OF GARDEN CITY

2013-2014 VILLAGE BUDGET

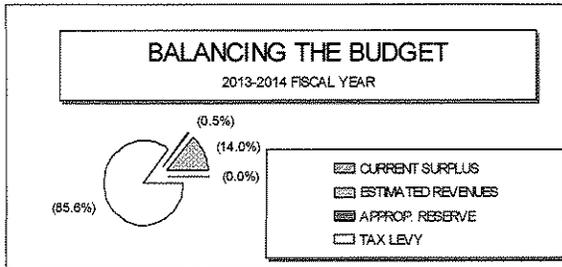

AS ADOPTED BY THE BOARD OF TRUSTEES

APRIL 18, 2013

OVERVIEW MESSAGE  
2013-2014  
VILLAGE BUDGET

The enclosed 2013-2014 Village Budget is the culmination of a coordinated effort by the Board of Trustees and the Executive Staff to maintain the highest level of affordable municipal service while striving to keep property tax increases at a minimal level. This is always a formidable process as the Village is faced with maintaining elements of its mature infrastructure and compliance with numerous unfunded Federal, State and regulatory agency mandates. This task has been complicated even further with compliance with the State Tax Levy Cap. We are pleased to have achieved our objectives and remained within the cap limits. We are grateful to the Property Owners' Associations and Chamber of Commerce for providing valuable input from Village residents and businesses to the budgetary process.

The State of New York requires that villages prepare and adopt balanced budgets where the applied surplus, the anticipated revenues and the taxes raised must cover all expenses of the municipality. The table found on page one indicates a total operating budget of \$54,212,375 and an additional appropriation of \$195,981 to replenish unappropriated surplus. This leads to a combined decrease of \$228,829 or -.42% from the 2012-2013 budget as modified. Applying revenues, it requires a tax rate of \$44.54 to balance the budget, an increase of 3.97% from 2012-2013. This results in an increase in tax of \$229.50 to the average assessed single family home.

Prior to starting this year's budget study sessions, the Village Board of Trustees was aware that sharply rising pension costs would require additional funding. The State imposed Tax Levy Cap became a goal to be reached, and was a part of the decisions made to realign spending. The Board also chose to return to the conservative practice of holding 2% of the expected budget as unassigned and uncommitted fund balance. A desire to reestablish capital spending at a level more consistent with past practices was contemplated. Unfortunately, the un-reimbursed portion of expenses the Village incurred to clean up damage and effect infrastructure repairs resulting from hurricane Sandy has delayed this goal. The funds needed for this cleanup were taken from the unappropriated surplus. The Board has chosen to raise the tax levy to replenish the surplus account. For the major capital Projects, the village will have to issue bonds to finance much of the necessary Capital Projects.

Included in the budget are staff reductions, through attrition or layoff, and strict control of overtime will be part of operations for the next fiscal year. The appropriation for tax certiorari refunds has been reduced, reflecting the experiences of the past few years.

Revenues have been projected to grow \$957,874. Included in this increase are sale of property and realignment of capital Projects funds for Fire Equipment, now to be bonded.

During 2012-2013, the Village experienced a decline in assessed value of \$617,212. These decreases are attributable to reductions in assessments for special franchises, increases in tax exempt

buildings and tax certiorari actions on several properties. The vast majority of these cases involve commercial properties and are very sensitive to economic conditions. Settlements of these cases created a shift in the mix of property values over the past several years, resulting in a diminution of taxes paid by commercial owners and a corresponding increase in the proportion of taxes paid by single family residential properties.

Over the years our Department Heads have consistently demonstrated a concerted effort to turn back a surplus from their budget appropriations in order to assist in reducing the tax rate for the succeeding year. As noted above, this was not possible this year due to the extreme damage caused by Sandy.

This budget includes the Village annual appropriation for the Five-Year Capital Plan. As a result of extensive meetings between the Executive Staff and the Village Board of Trustees, purchases of equipment and a number of projects were reviewed and prioritized. Appropriations for equipment replacement were limited and several projects were funded. The Village will return to a full schedule of resurfacing roadways, curbs and sidewalks, which has will now be accomplished through a combination of pay-as-we-go and bonds

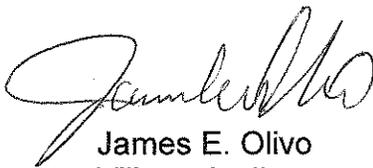

The operating budget contains the annual pay down of bonds and notes. The expense in this year's budget for Debt Service of \$1,797,502 is due to payment requirements on outstanding bonds.

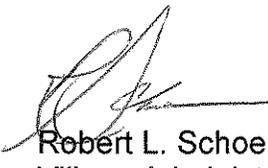

The Village operating department budgets were decreased \$1,193,008. Wherever possible, deferrable maintenance items were postponed and incidental expenses were cut. Staff levels have been reduced, resulting in a total of 16 fewer full time employees. Lower reliance on consultants is expected as activity on current issues subsides.

The Water Department, Swimming Pool and Indoor Tennis Facility are enterprise funds and are funded by subscription and user fees. Major Water fund projects include required environmental improvements. No rate increase in the water fund is projected due to a yet as unrealized settlement from environmental lawsuits undertaken by the Village.

Sound fiscal policies have served the community well in the past and continue to earn it the respect and high standing by bond rating and municipal monitoring agencies, most recently reconfirmed by the Government Finance Officers Association award for excellence in financial reporting and Moody's rating our most recent financing as Aaa. It should be noted that the Moody's rating is the highest afforded to Municipal bonds.

On behalf of the Executive Staff we acknowledge with appreciation the extensive amount of time spent and effort expended by Trustee Andrew Cavanaugh, Trustee Richard Silver, the POA's Citizens Budget Advisory Committee and the Mayor and Board of Trustees in developing this budget. This budget and capital plan will enable the Village to continue to deliver a high level of municipal service to our residents and businesses.
