OVERVIEW MESSAGE
2015-2016
VILLAGE BUDGET

The enclosed 2015-2016 Village Budget is the culmination of a coordinated effort by the Board of Trustees and the Executive Staff to maintain the highest level of affordable municipal service while striving to keep property tax increases under the level imposed by the State Tax Cap. This is always a formidable process as the Village is faced with maintaining elements of its mature infrastructure and compliance with numerous unfunded Federal, State and regulatory agency mandates. We are pleased to have achieved our objectives. We are grateful to the Property Owners' Associations, Citizens Budget Review Committee and Chamber of Commerce for providing valuable input from Village residents and businesses to the budgetary process.

The State of New York requires that villages prepare and adopt balanced budgets where the applied surplus, the anticipated revenues and the taxes raised must cover all expenses of the municipality. The table found on page one indicates a total operating budget of \$57,078,717. This leads to an increase of \$1,287,694 or 2.30% over the 2014-2015 budget. Applying revenues, it requires a tax levy of \$48,941,779 which is 1.65% above the levy for 2014-2015, and under the 1.68% limit imposed under the tax cap law. A tax rate of \$47.06 is necessary to balance the budget, which is an increase of 1.86% from 2014-2015. The tax rate takes into account the \$217,142 reduction in the assessed value of the Village, and results in an increase in tax of \$116 to the average assessed single family home.

Prior to starting this year's budget study sessions, the Village Board of Trustees was aware that several challenges would present themselves. The past two difficult winters have taken a severe toll on the Village's infrastructure, and years of deferring equipment purchases has focused attention on the capital needs of the community. Additionally, as the Village is relying on long term financing to address the issues raised by deferring items while dealing with economic conditions over the past several years, emphasis has been placed on how to best maintain adequate unassigned fund balances. To set some expectations, the Board has committed to a policy of holding a minimum of 2% of the expected budget as unassigned and uncommitted fund balance, with an eye toward moving this percentage higher in future years. The desire to reestablish capital spending at a level more consistent with past practices has repeated the increased capital appropriation from tax funding, raised last year by nearly \$1,000,000. To assist in funding these desired and necessary increases, attrition of staff has

been encouraged. A more aggressive approach to the improvement of major infrastructure systems, including roads, is anticipated as a long term financed item.

Revenues have been projected to increase \$224,150, and reflects the conservative approach in anticipating what we are sure of, rather than a more risky estimate based on less certain assumptions.

For the 2015-2016 budget the Village will experience a decline in assessed value of \$217,142. This decrease is attributable to reductions in assessments for special franchises, increases in tax exempt buildings and tax certiorari actions on several properties. The vast majority of these cases involve commercial properties and are very sensitive to economic conditions. Settlements of these cases created a shift in the mix of property values over the past several years, resulting in a diminution of taxes paid by commercial owners and a corresponding increase in the proportion of taxes paid by single family residential properties.

Over the years our Department Heads have consistently demonstrated a concerted effort to turn back a surplus from their budget appropriations in order to assist in reducing the tax rate for the succeeding year. This savings has allowed an additional appropriation from fund balance of \$306,090. Continued reduction of staff through elimination of vacant positions has reduced/lowered the overall staff level to 264 persons, which represents a significant reduction from our peak of 316 persons, last seen in 2006-2007. In spite of these reductions, essential services are still being delivered at the high level our residents expect.

This budget includes the Village annual appropriation for the Five-Year Capital Plan. As a result of extensive meetings between the Executive Staff and the Village Board of Trustees, purchases of equipment and a number of projects were reviewed and prioritized. Appropriations for equipment replacement were increased and several projects were funded. The Village will maintain the more aggressive schedule of resurfacing roadways, curbs and sidewalks, which will now be accomplished through a combination of pay-as-we-go and bonds.

The operating budget contains the annual pay down of bonds and notes. The expense in this year's budget for Debt Service of \$2,110,066 is due to payment requirements on outstanding bonds.

The Village operating department budgets have increased \$465,209. Offsetting this, employee benefits and contingent have been reduced \$313,969. Wherever possible incidental expenses were cut and staff levels have been reduced.

The Water Department, Swimming Pool and Indoor Tennis Facility are enterprise funds and are funded by subscription and user fees. Major Water fund projects include required environmental improvements. A 10% increase in the water fund is projected.

Sound fiscal policies have served the community well in the past and continue to earn it the respect and high standing by bond rating and municipal monitoring agencies, most recently reconfirmed by the Government Finance Officers Association award for excellence in financial reporting and Moody's rating our most recent financing as Aaa. It should be noted that the Moody's rating is the highest afforded to Municipal bonds.

On behalf of the Executive Staff we acknowledge with appreciation the extensive amount of time spent and effort expended by Trustee Richard Silver, the POA's Citizens Budget Advisory Committee and the Mayor and Board of Trustees in developing this budget. This budget and capital plan will enable the Village to continue to deliver a high level of municipal service to our residents and businesses.
