

An update to our neighbors in Garden City, NY

► Dutch Broadway Phase 2

We're modernizing existing natural gas infrastructure in the Stewart Avenue median. Please see reverse for more details.

National Grid and its contractors will continue to protect our employees, customers and the public by being vigilant and continuing to adhere to all COVID-19 safety guidelines set by the CDC, New York State, and our local permitting authorities. For more information about National Grid's response to COVID-19, please visit: ngrid.com/covid-19.

Smell Gas. Act Fast.

National Grid responds to gas emergencies 24 hours a day. If you smell gas, call our gas emergency line at **911** or **1-800-490-0045** on Long Island and the Rockaway Peninsula. Never assume someone else will call.

Dear Neighbor,

Energy plays a critical role in our day-to-day lives and ensures the well-being of our community. That's why we are investing in infrastructure upgrades that will help us to provide safe and reliable natural gas to our customers for years to come.

We will be performing infrastructure upgrades near your neighborhood in the intersection of **Stewart Avenue from Franklin Avenue to Clinton Road**. This project will upgrade and modernize existing infrastructure to increase reliability, safety and service for Long Island.

Project start date: To begin in September 2020, typically within 15 days from this notification

Project completion time: Winter 2020 **weather dependent*

What you may expect during construction:

- National Grid crews generally work between the hours of 8 am - 4 pm Monday through Friday. (*occasional non-weekday work may be required*)
- Traffic will remain open during construction hours. All work will be done in the median on Stewart Avenue. A traffic flagger will be on-site during work hours to safely direct vehicles.
- Safety is our priority, please be mindful of the site during and after construction hours.

Please note: Every National Grid employee carries a photo ID card, and any contractor doing work for us is also required to carry ID.
