

Woof, Woof, Woof!

(Am I properly licensed?)

Effective January 1, 2011, the New York State Agriculture and Market Law requires all local municipalities throughout New York to take on the responsibility of dog licensing. Garden City Village Hall is ready to assist all residents with this process and answer any questions that they may have.

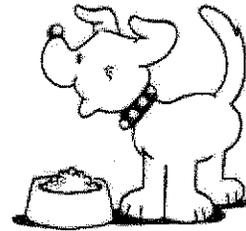

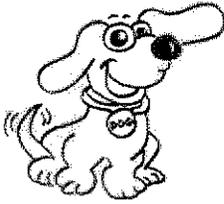

Every dog in New York State is required by law to be licensed. During the Month of April and May, the Village would like to encourage all residents who own a dog large or small to contact Village Hall for a Dog License Application.

Reasons to license your dog:

- Required by law.
- Part of your family!
- Properly identified with a Garden City Tag and I.D. Number – just in case your family friend goes for a walk and gets lost.
- Annual renewal notice and reminder for rabies vaccine will be automatically sent to you each year.
