

SEASON'S GREETINGS

Once again we are blessed to enjoy the Christmas and Hanukkah holidays and festivities with family and friends. While joy is always the transcending theme, as we hope it is for all, we ask that you include everyone, regardless of faith or private beliefs, in sharing this wonderful holiday season. Please take a few minutes to look in on your neighbors who may be alone or housebound to spread a little holiday cheer and comfort.

The Board of Trustees and the entire Village Staff wish you and your families a very Merry Christmas, a Happy Hanukkah and a joyful and safe holiday season.
